

Canadian Death Race 2009

Roster of Registered Volunteers

If your name does not appear on the other links to the Preliminary Job Assignments, don't fret. The assignment of jobs is a strategic and iterative process and all volunteers will ultimately be assigned a job(s). Check back every few weeks to see if you have been assigned yet. In any case, an email will be sent out periodically as race day approaches giving notice of major milestones in our job assignment process so that you can review what we have come up with to see if it is a fit for you.

If you wish to review or edit your registration details, [click here](#) and enter your username and password.

If it turns out that your situation changes and you are unable to join us on race day, please email us at your earliest opportunity so that we can adjust the job assignments.
